Item 3.03. Material Modifications to Rights of Security Holders

On March 14, 2019, KCP&L secured all of its outstanding unsecured notes with the lien of KCP&L’s General Mortgage Indenture, dated as of December 1, 1986, between KCP&L and UMB Bank, N.A., as trustee (the “General Mortgage Bond Indenture”). In particular, on March 14, 2019, KCP&L took the following actions:

- (i) KCP&L executed and delivered Supplemental Indenture No. 8 to the Indenture, dated as of May 1, 2007, amending the terms and provisions of the following KCP&L notes (the “2007 Indenture Notes”):
 - 5.30% Notes due 2041 (CUSIP: 485134 BM1),
 - 3.15% Notes due 2023 (CUSIP: 485134 BN9),
 - 3.65% Notes due 2025 (CUSIP: 485134 BP4),
 - 4.20% Notes due 2047 (CUSIP: 485134 BQ2), and
 - 4.20% Notes due 2048 (CUSIP: 485134 BR0).
- (ii) KCP&L executed and delivered Supplemental Indenture No. 2 to the Indenture, dated as of March 1, 2002, amending the terms and provisions of KCP&L’s 6.05% Senior Notes due 2035 (CUSIP: 485134 BH2) (the “2002 Indenture Notes” and, together with the 2007 Indenture Notes, the “Unsecured Notes”).
- (iii) KCP&L issued the following series of general mortgage bonds to the trustees of the indentures identified above pursuant to Sixteenth Supplemental Indenture to the General Mortgage Bond Indenture:
 - 5.30% Mortgage Bond, Collateral Series Due 2041,
 - 3.15% Mortgage Bond, Collateral Series Due 2023,
 - 3.65% Mortgage Bond, Collateral Series Due 2025,
 - 4.20% Mortgage Bond, Collateral Series Due 2047,
 - 4.20% Mortgage Bond, Collateral Series Due 2048, and
 - 6.05% Mortgage Bond, Collateral Series Due 2035.

As a result, the Unsecured Notes will be secured by the lien of KCP&L’s General Mortgage Bond Indenture and will rank equally and ratably with all of KCP&L’s general mortgage bonds, regardless of series, from time to time issued and outstanding under KCP&L’s General Mortgage Bond Indenture.

All the 2041 Collateral Mortgage Bonds delivered to the Company in accordance with this Section 2.13 shall be delivered by the Company to the Mortgage Trustee for cancellation.”

KANSAS CITY POWER & LIGHT COMPANY, a Missouri corporation (hereinafter called the "*Company*", which term includes any successor corporation under the Indenture hereinafter referred to), for value received, hereby promises to pay to the registered Holder named above or registered assigns, on the maturity date stated above, the principal sum stated above and to pay interest thereon from September 20, 2011, or from the most recent Interest Payment Date to which interest has been duly paid or provided for, initially on April 1,

2012, and thereafter semi-annually on April 1 and October 1 of each year, at the interest rate stated above, until the date on which payment of such principal sum has been made or duly provided for. The interest so payable on any Interest Payment Date will be paid to the person in whose name this Note is registered at the close of business on the March 15 or September 15, as the case may be (whether or not such day is a Business Day), immediately preceding that Interest Payment Date, except as otherwise provided in the Indenture.

The principal and interest payments on this Note will be made by the Company to the registered Holder named above. All such payments shall be made in such coin or currency of the United States of America as at the time of payment is legally tender for payment of public and private debts.

This Note is one of a duly authorized issue of notes of the Company (herein called the “Notes”), issued under an Indenture, dated as of May 1, 2007, as previously supplemented and further supplemented by Supplemental Indenture No. 3, dated as of September 20, 2011, as amended by Supplemental Indenture No. 8 dated as of March 1, 2019 (herein called the “Indenture,” which term shall have the meaning assigned to it in such instrument), between the Company and The Bank of New York Mellon Trust Company, N.A. (formerly The Bank of New York Trust Company, N.A.), as Trustee (herein called the “Trustee,” which term includes any successor trustee under the Indenture). Reference is made to the Indenture and any supplemental indenture thereto for the provisions relating, among other things, to the respective rights of the Company, the Trustee and the Holders of the Notes, and the terms on which the Notes are authenticated and delivered. This Note is one of the series designated on the face hereof, initially limited in aggregate principal amount to \$400,000,000; *provided, however*, that the authorized aggregate principal amount of the Notes may be increased above such amount by a Board Resolution authorizing such increase.

The Notes will be secured by a series of mortgage bonds (the “2041 Collateral Mortgage Bonds”) delivered by the Company to the Trustee for the benefit of the Holders of the Notes, issued pursuant to the Sixteenth Supplemental Indenture, dated as of March 1, 2019 to the General Mortgage Indenture and Deed of Trust, dated as of December 1, 1986, between the Company and UMB Bank, N.A. (formerly United Missouri Bank of Kansas City, N.A.) (as amended and supplemented, the “Mortgage Indenture”). Reference is made to the Indenture and the Mortgage Indenture for a description of the rights of the Trustee as holder of the 2041 Collateral Mortgage Bonds, the property mortgaged and pledged, the nature and extent of the security and rights of the holders of the mortgage bonds under the Mortgage Indenture and the rights of the Company under the Mortgage Indenture and the terms and conditions upon which the Notes are secured.

Prior to April 1, 2041, the Company shall have the right to redeem the Notes of this series, at its option, at any time in whole, or from time to time in part, at a redemption price equal to the greater of (i) 100% of the principal amount to be redeemed and (ii) the sum of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed (not including any portion of such payments of interest accrued as of the date of redemption), discounted to the date of redemption on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 30 basis points; plus, in each case, accrued and unpaid interest on the principal amount of the Notes being redeemed to the redemption date.

On or after April 1, 2041, the Company shall have the right to redeem the 2041 Notes, at its option, at any time in whole, or from time to time in part, at a redemption price equal to 100% of the principal amount of the 2041 Notes to be redeemed, plus accrued and unpaid interest on the principal amount being redeemed to the redemption date.

For purposes of determining the redemption price:

“Comparable Treasury Issue” means the United States Treasury security selected by the Quotation Agent as having a maturity comparable to the remaining term of the Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Notes.

“Comparable Treasury Price” means, with respect to any redemption date, (1) the average of four Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (2) if the Quotation Agent obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations, or (3) if only one such Reference Treasury Dealer Quotation is received, such quotation.

“Quotation Agent” means a Reference Treasury Dealer appointed by the Company.

“Reference Treasury Dealer” means (1) each of Barclays Capital Inc. and RBS Securities Inc. or their affiliates, and their respective successors, unless either of them ceases to be a primary U.S. government securities dealer in the United States of America (“Primary Treasury Dealer”), in which case the Company will substitute therefore another Primary Treasury Dealer, (2) a Primary Treasury Dealer selected by Wells Fargo Securities, LLC and (3) two other Primary Treasury Dealers selected by the Company.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Quotation Agent, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Quotation Agent by such Reference Treasury Dealer at 5:00 p.m., New York City time, on the third business day preceding such redemption date.

“Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

The Indenture contains provisions for defeasance at any time of (i) the entire indebtedness of this Note and (ii) the Company’s obligations under the Indenture and this Note with respect to certain covenants and related Events of Default, upon compliance by the Company with certain conditions set forth in the Indenture.

If an Event of Default with respect to the Notes shall occur and be continuing, the principal of this Note may be declared due and payable in the manner and with the effect provided in the Indenture.

No recourse shall be had for the payment of the principal of or any premium or interest on this Note, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Indenture or any indenture supplemental thereto, against any incorporator or against any past, present or future stockholder, officer or member of the Board of Directors, as such, of the Company, whether by virtue of any constitution, state or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released.

This Note is one of a duly authorized issue of notes of the Company (herein called the "*Notes*"), issued under an Indenture, dated as of May 1, 2007, as previously supplemented and further supplemented by Supplemental Indenture No. 4, dated as of March 14, 2013, as amended by Supplemental Indenture No. 8 dated as of March 1, 2019 (herein called the "*Indenture*," which term shall have the meaning assigned to it in such instrument), between the Company and The Bank of New York Mellon Trust Company, N.A. (formerly The Bank of New York Trust Company, N.A.), as Trustee (herein called the "*Trustee*," which term includes any successor trustee under the Indenture). Reference is made to the Indenture and any supplemental indenture thereto for the provisions relating, among other things, to the respective rights of the Company, the Trustee and the Holders of the Notes, and the terms on which the Notes are authenticated and delivered. This Note is one of the series designated on the face hereof, initially limited in aggregate principal amount to \$300,000,000; *provided, however*, that the authorized aggregate principal amount of the Notes may be increased above such amount by a Board Resolution authorizing such increase.

The Notes will be secured by a series of mortgage bonds (the "*2023 Collateral Mortgage Bonds*") delivered by the Company to the Trustee for the benefit of the Holders of the Notes, issued pursuant to the Sixteenth Supplemental Indenture, dated as of March 1, 2019 to the General Mortgage Indenture and Deed of Trust, dated as of December 1, 1986, between the Company and UMB Bank, N.A. (formerly United Missouri Bank of Kansas City, N.A.) (as amended and supplemented, the "*Mortgage Indenture*"). Prior to December 15, 2022, the Company shall have the right to redeem the Notes of this series, at its option, at any time in whole, or from time to time in part, at a redemption price equal to the greater of (i) 100% of the principal amount to be redeemed and (ii) the sum of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed (not including any portion of such payments of interest accrued as of the date of redemption), discounted to the date of redemption on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 20 basis points; plus, in each case, accrued and unpaid interest on the principal amount of the Notes being redeemed to the redemption date.

On or after December 15, 2022, the Company shall have the right to redeem the Notes, at its option, at any time in whole, or from time to time in part, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest on the principal amount being redeemed to the redemption date.

For purposes of determining the redemption price:

“*Comparable Treasury Price*” means, with respect to any redemption date, (1) the average of four Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (2) if the Quotation Agent obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations, or (3) if only one such Reference Treasury Dealer Quotation is received, such quotation.

“*Quotation Agent*” means a Reference Treasury Dealer appointed by the Company.

“*Reference Treasury Dealer*” means (1) each of BNP Paribas Securities Corp. and Merrill Lynch, Pierce, Fenner & Smith Incorporated or their affiliates, and their respective successors, unless either of them ceases to be a primary U.S. government securities dealer in the United States of America (“Primary Treasury Dealer”), in which case the Company will substitute therefor another Primary Treasury Dealer, (2) a Primary Treasury Dealer selected by Mitsubishi UFJ Securities (USA), Inc. and (3) two other Primary Treasury Dealers selected by the Company.

“*Treasury Rate*” means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

The Indenture contains provisions for defeasance at any time of (i) the entire indebtedness of this Note and (ii) the Company’s obligations under the Indenture and this Note with respect to certain covenants and related Events of Default, upon compliance by the Company with certain conditions set forth in the Indenture.

If an Event of Default with respect to the Notes shall occur and be continuing, the principal of this Note may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the securities at the time outstanding of all series to be affected, considered as one class. The Indenture contains provisions permitting the Holders of a majority in aggregate principal amount of the securities of any series at the time outstanding, on behalf of the Holders of all securities of such series, to waive certain past defaults or Events of Default under the Indenture, and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued in exchange, substitution or upon the registration or transfer hereof, irrespective of whether or not notation of such consent or waiver is made upon this Note.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of (and premium, if any) and interest on this Note at the times, place and rate, and in the coin or currency, herein provided.

This Note is issuable as a registered Note only, in the minimum denomination of \$2,000 and integral multiples of \$1,000.

As provided in the Indenture, this Note is transferable by the registered Holder hereof in person or by his attorney duly authorized in writing on the books of the Company at the office or agency to be maintained by the Company for that purpose. Upon any registration of transfer, a new registered Note or Notes, of authorized denomination or denominations, and in the same aggregate principal amount, will be issued to the transferee in exchange therefore.

The Company, the Trustee, any paying agent and any Authenticating Agent may deem and treat the registered Holder hereof as the absolute owner of this Note (whether or not this Note shall be overdue) for the purpose of receiving payment of or on account of the principal and premium, if any, and interest on this Note as herein provided and for all other purposes, and neither the Company nor the Trustee nor any paying agent nor any Authenticating Agent shall be affected by any notice to the contrary.

No recourse shall be had for the payment of the principal of or any premium or interest on this Note, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Indenture or any indenture supplemental thereto, against any incorporator or against any past, present or future stockholder, officer or member of the Board of Directors, as such, of the Company, whether by virtue of any constitution, state or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released.

This Note shall be governed by and deemed to be a contract made under, and construed in accordance with, the laws of the State of New York, and for all purposes shall be construed in accordance with the laws of the State of New York without regard to conflicts of law principles thereof.

All terms used in this Note which are defined in the Indenture and not defined herein shall have the meaning assigned to them in the Indenture.

This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose until the certificate of authentication on the face hereof is manually signed by the Trustee.

IN WITNESS WHEREOF, the Company has caused this instrument to be signed by the manual or facsimile signatures of the Vice President – Corporate Planning, Investor Relations and Treasurer and the Assistant Treasurer of the Company, and a facsimile of its corporate seal to be affixed or reproduced hereon.

This Note is one of a duly authorized issue of notes of the Company (herein called the “*Notes*”), issued under an Indenture, dated as of May 1, 2007, as previously supplemented and further supplemented by Supplemental Indenture No. 5, dated as of August 18, 2015, as amended by Supplemental Indenture No. 8 dated as of March 1, 2019 (herein called the “*Indenture*,” which term shall have the meaning assigned to it in such instrument), between the Company and The Bank of New York Mellon Trust Company, N.A. (formerly The Bank of New York Trust Company, N.A.), as Trustee (herein called the “*Trustee*,” which term includes any successor trustee under the Indenture). Reference is made to the Indenture and any supplemental indenture thereto for the provisions relating, among other things, to the respective rights of the Company, the Trustee and the Holders of the Notes, and the terms on which the Notes are authenticated and delivered. This Note is one of the series designated on the face hereof, initially limited in aggregate principal amount to \$350,000,000; *provided, however*, that the authorized aggregate principal amount of the Notes may be increased above such amount by a Board Resolution authorizing such increase. Any additional notes issued pursuant to such increase must have the same ranking, interest rate, maturity and other terms (except for the initial public offering price, the Original Issue Date and the first Interest Payment Date, as applicable) as the Notes; provided that if any such additional notes are not fungible for U.S. federal income tax purposes with the Notes, such additional notes will be issued under a separate CUSIP number. Any such additional notes, together with the Notes, will constitute a single series of notes under the Indenture.

The Notes will be secured by a series of mortgage bonds (the “*2025 Collateral Mortgage Bonds*”) delivered by the Company to the Trustee for the benefit of the Holders of the Notes, issued pursuant to the Sixteenth Supplemental Indenture, dated as of March 1, 2019 to the General Mortgage Indenture and Deed of Trust, dated as of December 1, 1986, between the Company and UMB Bank, N.A. CUSIP No. 485134 BQ2

KANSAS CITY POWER & LIGHT COMPANY, a Missouri corporation (hereinafter called the “*Company*”, which term includes any successor corporation under the Indenture hereinafter referred to), for value received, hereby promises to pay to the registered Holder named above or registered assigns, on the maturity date stated above, the principal sum stated above and to pay interest thereon from June 15, 2017, or from the most recent Interest Payment Date to which interest has been duly paid or provided for, initially on December 15, 2017, and thereafter semi-annually on June 15 and December 15 of each year, at the interest rate stated above, until the date on which payment of such principal sum has been made or duly provided for. The interest so payable on any Interest Payment Date will be paid to the person in whose name this Note is registered at the close of business on the fifteenth calendar day prior to such Interest Payment Date (whether or not such day is a Business Day), except as otherwise provided in the Indenture.

The principal and interest payments on this Note will be made by the Company to the registered Holder named above. All such payments shall be made in such coin or currency of the United States of America as at the time of payment is legally tender for payment of public and private debts.

This Note is one of a duly authorized issue of notes of the Company (herein called the “*Notes*”), issued under an Indenture, dated as of May 1, 2007, as previously supplemented and further supplemented by Supplemental Indenture No. 6, dated as of June 15, 2017, as amended by Supplemental Indenture No. 8 dated as of March 1, 2019 (herein called the “*Indenture*,” which term shall have the meaning assigned to it in such instrument), between the Company and The Bank of New York Mellon Trust Company, N.A. (formerly The Bank of New York Trust Company, N.A.), as Trustee (herein called the “*Trustee*,” which term includes any successor trustee under the Indenture). Reference is made to the Indenture and any supplemental indenture thereto for the provisions relating, among other things, to the respective rights of the Company, the Trustee and the Holders of the Notes, and the terms on which the Notes are authenticated and delivered. This Note is one of the series designated on the face hereof, initially limited in aggregate principal amount to \$300,000,000; *provided, however*, that the authorized aggregate principal amount of the Notes may be increased above such amount by a Board Resolution authorizing such increase. Any additional notes issued pursuant to such increase must rank equally and ratably with, and have the same interest rate, maturity and other terms (except for the price to public, the Original Issue Date and the first Interest Payment Date, as applicable) as, the Notes. Any additional notes, together with the Notes, will constitute a single series of notes under the Indenture; provided that if any such additional notes are not fungible for U.S. federal income tax purposes with the Notes, such additional notes will be issued under a separate CUSIP number.

The Notes will be secured by a series of mortgage bonds (the “*2047 Collateral Mortgage Bonds*”) delivered by the Company to the Trustee for the benefit of the Holders of the Notes, issued pursuant to the Sixteenth Supplemental Indenture, dated as of March 1, 2019 to the General Mortgage Indenture and Deed of Trust, dated as of December 1, 1986, between the Company and UMB Bank, N.A. (formerly United Missouri Bank of Kansas City, N.A.) (as amended and supplemented, the “*Mortgage Indenture*”). Reference is made to the Indenture and the Mortgage Indenture for a description of the rights of the Trustee as holder of the 2047 Collateral Mortgage Bonds, the property mortgaged and pledged, the nature and extent of the security and rights of the holders of the mortgage bonds under the Mortgage Indenture and the rights of the Company under the Mortgage Indenture and the terms and conditions upon which the Notes are secured.

Prior to the Par Call Date, the Company shall have the right to redeem the 2047 Notes, at its option, at any time in whole, or from time to time in part, at a redemption price equal to the greater of (i) 100% of the principal amount of the 2047 Notes being redeemed and (ii) the sum of the present values of the remaining scheduled payments of principal and interest on the 2047 Notes being redeemed that would be due if the 2047 Notes matured on the Par Call Date (not including any portion of such payments of interest accrued as of the date of redemption), discounted to the date of redemption on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate, plus 20 basis points; plus, in each case, accrued and unpaid interest on the principal amount of the 2047 Notes being redeemed to, but excluding, the redemption date.

On or after the Par Call Date, the Company shall have the right to redeem the 2047 Notes, at its option, at any time in whole, or from time to time in part, at a redemption price equal to 100% of the principal amount of the 2047 Notes being redeemed, plus accrued and unpaid interest on the principal amount of the 2047 Notes being redeemed to, but excluding, the redemption date.

For purposes of determining the redemption price:

“*Comparable Treasury Issue*” means the United States Treasury security selected by the Quotation Agent as having a maturity comparable to the remaining term of the Notes to be redeemed (assuming, for this purpose, that the Notes matured on the Par Call Date) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Notes.

“*Comparable Treasury Price*” means, with respect to any redemption date, (1) the average of the Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest of such Reference Treasury Dealer Quotations, (2) if the Quotation Agent obtains fewer than four of such Reference Treasury Dealer Quotations, the average of all such Reference Treasury Dealer Quotations, or (3) if only one such Reference Treasury Dealer Quotation is received, such Reference Treasury Dealer Quotation.

“*Par Call Date*” means December 15, 2046.

“*Quotation Agent*” means a Reference Treasury Dealer appointed by the Company.

“*Reference Treasury Dealer*” means (1) BNP Paribas Securities Corp. or its affiliates and successors, unless it ceases to be a primary U.S. government securities dealer in the United States of America (a “Primary Treasury Dealer”), in which case the Company will substitute therefor another Primary Treasury Dealer, (2) a Primary Treasury Dealer selected by SunTrust Robinson Humphrey, Inc., and (3) three other Primary Treasury Dealers selected by the Company.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Quotation Agent, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Quotation Agent by such Reference Treasury Dealer at 5:00 p.m., New York City time, on the third Business Day preceding such redemption date.

“Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

The Indenture contains provisions for defeasance at any time of (i) the entire indebtedness of this Note and (ii) the Company’s obligations under the Indenture and this Note with respect to certain covenants and related Events of Default, upon compliance by the Company with certain conditions set forth in the Indenture.

If an Event of Default with respect to the Notes shall occur and be continuing, the principal of this Note may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the securities at the time outstanding of all series to be affected, considered as one class. The Indenture contains provisions permitting the Holders of a majority in aggregate principal amount of the securities of any series at the time outstanding, on behalf of the Holders of all securities of such series, to waive certain past defaults or Events of Default under the Indenture, and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued in exchange, substitution or upon the registration or transfer hereof, irrespective of whether or not notation of such consent or waiver is made upon this Note.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of (and premium, if any) and interest on this Note at the times, place and rate, and in the coin or currency, herein provided.

This Note is issuable as a registered Note only, in the minimum denomination of \$2,000 and integral multiples of \$1,000 in excess thereof.

As provided in the Indenture, this Note is transferable by the registered Holder hereof in person or by his attorney duly authorized in writing on the books of the Company at the office or agency to be maintained by the Company for that purpose. Upon any registration of transfer, a new registered Note or Notes, of authorized denomination or denominations, and in the same aggregate principal amount, will be issued to the transferee in exchange therefor.

The Company, the Trustee, any paying agent and any Authenticating Agent may deem and treat the registered Holder hereof as the absolute owner of this Note (whether or not this Note shall be overdue) for the purpose of receiving payment of or on account of the principal of (and premium, if any) and interest on this Note as herein provided and for all other purposes, and neither the Company nor the Trustee nor any paying agent nor any Authenticating Agent shall be affected by any notice to the contrary.

No recourse shall be had for the payment of the principal of or any premium or interest on this Note, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Indenture or any indenture supplemental thereto, against any incorporator or against any past, present or future stockholder, officer or member of the Board of Directors, as such, of the Company, whether by virtue of any constitution, state or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released.

This Note shall be governed by and deemed to be a contract made under, and construed in accordance with, the laws of the State of New York, and for all purposes shall be construed in accordance with the laws of the State of New York without regard to conflicts of law principles thereof.

All terms used in this Note which are defined in the Indenture and not defined herein shall have the meaning assigned to them in the Indenture.

This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose until the certificate of authentication on the face hereof is manually signed by the Trustee.

IN WITNESS WHEREOF, the Company has caused this instrument to be signed by the manual or facsimile signatures of the Vice President – Corporate Planning, Investor Relations and Treasurer and the Assistant Treasurer of the Company, and a facsimile of its corporate seal to be affixed or reproduced hereon.

(formerly United Missouri Bank of Kansas City, N.A.), as trustee (the “*Mortgage Bond Trustee*”) (such General Mortgage Indenture and Deed of Trust, as previously and hereinafter supplemented (including by the Sixteenth Supplemental Mortgage Indenture) is hereinafter referred to as the “*Mortgage Indenture*”). For the avoidance of doubt, any amounts received by the Trustee with respect to the 2035 Collateral Mortgage Bonds will be applied to satisfy any obligations under the Notes in accordance with the Indenture and not any other Securities outstanding under the Indenture. In connection with the delivery of the 2035 Collateral Mortgage Bonds to the Trustee, the Company shall (i) deliver to the Trustee an Officers’ Certificate stating that (A) the Company has duly executed and the Mortgage Bond Trustee has duly authenticated the 2035 Collateral Mortgage Bonds in the aggregate principal amount of \$250,000,000, and (B) the Company has delivered the 2035 Collateral Mortgage Bonds to the Trustee in the aggregate principal amount of \$250,000,000, (ii) provide to the Trustee an Opinion of Counsel, satisfactory in form and substance to the Trustee, regarding the due execution, issuance, validity and enforceability of the 2035 Collateral Mortgage Bonds, and (iii) deliver to the Trustee a copy of the Mortgage Indenture, including the Sixteenth Supplemental Indenture, certified by the Secretary or an Assistant Secretary of the Company.

(b) The 2035 Collateral Mortgage Bonds shall be fully registered in the name of the Trustee. Until released in accordance with Section 1.14 of this Indenture Supplement No. 1, the Trustee shall hold the 2035 Collateral Mortgage Bonds in trust for the benefit of the holders from time to time of the Notes as security for any and all obligations of the Company with respect to the Notes, including but not limited to, (1) the full and prompt payment of the principal of and premium, if any, on the Notes when and as the same shall become due and payable in accordance with the terms and provisions of the Indenture or the Notes, either at the stated maturity thereof, upon acceleration of the maturity thereof or upon redemption, and (2) the full and prompt payment of any interest on the Notes, when and as the same shall become due and payable in accordance with the terms and provisions of the Indenture or the Notes.

(c) The Company acknowledges and agrees that, solely for administrative purposes, the Trustee will establish an account in the name of the Company for the custody and safekeeping of 2035 Collateral Mortgage Bonds delivered to the Trustee.”

Section 2.05. Supplemental Indenture No. 1 is hereby amended by the addition of Section 1.13 thereto, to read as follows:

“Section 1.13 *Actions with Respect to 2035 Collateral Mortgage Bonds*.

(a) Except for the safe custody of any 2035 Collateral Mortgage Bonds in its possession and the accounting for moneys actually received by it with respect to the 2035 Collateral Mortgage Bonds, the Trustee shall have no duty to act, consent or request any action of any Person in connection with the 2035 Collateral Mortgage Bonds unless the Trustee shall have received (i) written direction from the holders of at least a majority in aggregate principal amount of the Notes then outstanding voting as a single class and (ii) indemnity satisfactory to it against any liabilities that may be incurred by it in connection therewith; *provided, however*, that in no event shall the Trustee have any duty to attend meetings of bondholders under the Mortgage Indenture, or to ascertain or take action with respect to voting, consents, waivers, amendments or any other matters relative to the 2035 Collateral Mortgage Bonds and/or the Mortgage Indenture. The Trustee shall have no duty to ascertain or inquire into or verify the performance or observance of any covenants, conditions or agreements on the part of the Company or the Mortgage Bond Trustee with respect to the 2035 Collateral Mortgage Bonds. The Trustee will not be required to take any action that is contrary to applicable law or any provision of the Indenture, the 2035 Collateral Mortgage Bonds or the Mortgage Indenture or, that otherwise subjects it to liability.

(b) To the extent that any consent or instruction from the Trustee and/or the holders of the Notes is required with respect to the 2035 Collateral Mortgage Bonds and/or the Mortgage Indenture, the Trustee shall not have any duty or obligation to determine whether such consent or instruction is required nor any duty or obligation to give or otherwise solicit such consent or instructions; *provided, however*, that if the Trustee receives any written notices with respect to the 2035 Collateral Mortgage Bonds, it shall promptly transmit such notices to the holders of the Notes in accordance with the Indenture.

(c) It is expressly understood and agreed by the Company (and, with respect to any holder of a Note, by holding such Note such holder shall be deemed to have agreed) that the Trustee shall not be responsible for any recital, statement, representation, or warranty (whether written or oral) made by any Person other than the Trustee in or in connection with the Indenture or the Mortgage Indenture or any certificate or other document referred to or provided for in, or received by it under, the Indenture or the Mortgage Indenture, or for the value, validity, effectiveness, genuineness, enforceability, or sufficiency of the 2035 Collateral Mortgage Bonds, the Mortgage Indenture, or any other document referred to or provided for therein or for any failure by the Company, the Mortgage Bond Trustee or any other Person to perform any of its obligations hereunder or thereunder.

(d) Whether or not expressly provided herein, the rights, privileges, protections, immunities, indemnities and benefits given to the Trustee pursuant to the Indenture shall apply to any action taken by the Trustee in accordance with the terms of the 2035 Collateral Mortgage Bonds and/or the Mortgage Indenture.”

(e) If an Event of Default under the Indenture occurs and is continuing with respect to the Notes and the Notes have been accelerated as a consequence of such Event of Default, the Trustee may and, subject to Section 6.02 of the Indenture, upon request of holders of not less than a majority in principal amount of the Notes then Outstanding, and receipt of indemnity to its satisfaction, shall exercise such other rights as it shall possess under the Mortgage Indenture as a holder of the 2035 Collateral Mortgage Bonds.

(f) With the written consent of the holders of a majority in aggregate principal amount of the outstanding Notes, the Trustee may consent to modifications, amendments, or supplements to (or provide waivers in respect of) the 2035 Collateral Mortgage Bonds and/or the Mortgage Indenture; provided, however, that without the written consent of each holder of a Note, the Trustee shall not consent to any modification, amendment or supplement to (or provide waivers in respect of) the 2035 Collateral Mortgage Bonds and/or the Mortgage Indenture that have the effect of (A) (i) extending the fixed maturity of 2035 Collateral Mortgage Bonds, (ii) changing any terms of any sinking fund or analogous fund or conversion rights with respect to 2035 Collateral Mortgage Bonds, (iii) reducing the rate or extending the time of payment of interest on the 2035 Collateral Mortgage Bonds, or reducing the principal amount of 2035 Collateral Mortgage Bonds, or, (iv) limiting the right of the Trustee (as the holder of the 2035 Collateral Mortgage Bonds) to institute suit for the enforcement of payment of principal of or premium, if any, or interest on 2035 Collateral Mortgage Bonds in accordance with the terms thereof, or (B) reducing the percentage of mortgage bonds, the holders of which are required to consent to any such supplement, amendment and/or waiver, or (C) permitting the creation by the Company of any Prior Lien (as such term is defined in the Mortgage Indenture) in accordance with the Mortgage Indenture.

Section 2.06. Supplemental Indenture No. 1 is hereby amended by the addition of Section 1.14 thereto, to read as follows:

“Section 1.14 *Release of Liens in Respect of 2035 Collateral Mortgage Bonds; Change of Amounts.* (a) Upon the Trustee’s receipt of an Officers’ Certificate and an Opinion of Counsel from the Company certifying that all conditions to the satisfaction and discharge of the Indenture with respect to the Notes (but, for avoidance of doubt, not any other series of Securities then outstanding under the Indenture) in accordance with Section 12.01 of the Indenture, the Trustee shall be deemed not to hold a lien on the 2035 Collateral Mortgage Bonds on behalf of the holders of the Notes and the Trustee shall, upon written request of the Company, deliver to the Company the 2035 Collateral Mortgage Bonds, together with such appropriate instruments of transfer or release as may be reasonably requested by the Company (and at the expense of the Company) to release such lien. All the 2035 Collateral Mortgage Bonds delivered to the Company in accordance with this Section 1.14 shall be delivered by the Company to the Mortgage Trustee for cancellation.”

(b) Following any partial payment, redemption or retirement of the Notes, the Company shall promptly furnish to the Trustee an Officers’ Certificate certifying as to such payment, redemption or retirement and the principal amount of the Notes outstanding following such change in aggregate principal amount and instructing the Trustee to exchange the 2035 Collateral Mortgage Bond to the Mortgage Trustee in return for a 2035 Collateral Mortgage Bond reflecting the current outstanding aggregate principal amount so certified in the Officers’ Certificate.

Section 2.07. Supplemental Indenture No. 1 is hereby amended by the addition of Section 1.15 thereto, to read as follows:

Section 1.15. Delivery of Non Payment Notice to Mortgage Trustee. If payment of the principal of and premium, if any, or interest on the Notes has not been fully paid, deemed to have been paid or otherwise satisfied and discharged when due, the Trustee shall deliver a written notice to the Mortgage Trustee stating the amount of such non-payment and that such payment remains unpaid on the date of such notice (which shall be given by the Trustee within 5 Business Days of such non-payment (taking into account any applicable grace period).

Section 2.08. Supplemental Indenture No. 1 is hereby amended by the addition of Section 1.15 thereto, to read as follows:

“Section 1.16 *No Transfer of 2035 Collateral Mortgage Bonds.* The Company shall cause all of the 2035 Collateral Mortgage Bonds shall be issued and registered in the name of the Trustee. Except (i) as otherwise permitted by the Indenture or (ii) in connection with an assignment to a successor trustee in accordance with the Indenture, the Trustee shall not sell, assign or transfer the 2035 Collateral Mortgage Bonds.”

Section 2.09. The Company desires to exchange the original Global Security representing the 2035 Notes, dated November 17, 2005 (the “*Original Global Security*”) for the amended and restated Global Security set forth in Exhibit A hereto (which is hereby incorporated herein and made a part hereof) (the “*Amended and Restated Global 2035 Note*”) incorporating the amendments effected by this Supplemental Indenture in accordance with Section 10.04 of the Original Indenture. KANSAS CITY POWER & LIGHT COMPANY, a Missouri corporation (hereinafter called the "Company", which term includes any successor corporation under the Indenture hereinafter referred to), for value received, hereby promises to pay to the registered holder named above or registered assigns, on the maturity date stated above, the principal sum stated above and to pay interest thereon from November 17, 2005, or from the most recent interest payment date to which interest has been duly paid or provided for, initially on May 15, 2006, and thereafter semi-annually on May 15 and November 15 of each year, at the interest rate stated above, until the date on which payment of such principal sum has been made or duly provided for. The interest so payable on any interest payment date will be paid to the person in whose name this Security is registered at the close of business on the May 1 or November 1, as the case may be, immediately preceding that interest payment date, except as otherwise provided in the Indenture.

The principal and interest payments on the Security will be made by the Company to DTC for disbursement to the registered holder named above. All such payments shall be made in such coin or currency of the United States of America as at the time of payment is legally tender for payment of public and private debts.

This Security is one of a duly authorized issue of securities of the Company (herein called the "Securities"), issued and to be issued in one or more series under an Indenture, dated as of March 1, 2002, as previously supplemented and further supplemented by Supplemental Indenture No. 1, dated as of November 15, 2005, as amended by Supplemental Indenture No. 2 dated as of March 1, 2019 (herein called the "Indenture"), between the Company and The Bank of New York Mellon (formerly The Bank of New York), a corporation organized under the laws of the State of New York authorized to conduct a banking business, as Trustee (herein called the "Trustee," which term includes any successor trustee under the Indenture). Reference is made to the Indenture and any supplemental indenture thereto for the provisions relating, among other things, to the respective rights of the Company, the Trustee and the holders of the Securities, and the terms on which the Securities are, and are to be, authenticated and delivered. This Security is one of the series designated on the face hereof, initially limited in aggregate principal amount to \$250,000,000; provided, however, that the authorized aggregate principal amount of the Securities may be increased above such amount by a Board Resolution to such effect.

The Securities will be secured by a series of mortgage bonds (the "2035 Collateral Mortgage Bonds") delivered by the Company to the Trustee for the benefit of the holders of the Securities, issued pursuant to the Sixteenth Supplemental Indenture, dated as of March 1, 2019 to the General Mortgage Indenture and Deed of Trust, dated as of December 1, 1986, between the Company and UMB Bank, N.A. (formerly United Missouri Bank of Kansas City, N.A.) (as amended and supplemented, the "Mortgage Indenture"). Reference is made to the Indenture and the Mortgage Indenture for a description of the rights of the Trustee as holder of the 2035 Collateral Mortgage Bonds, the property mortgaged and pledged, the nature and extent of the security and rights of the holders of the mortgage bonds under the Mortgage Indenture and the rights of the Company under the Mortgage Indenture and the terms and conditions upon which the Securities are secured.

The Company shall have the right to redeem the Securities of this series, in whole or in part, at its option at any time from time to time at a price equal to the greater of (i) 100% of the principal amount thereof or (ii) the sum of the present values of the remaining scheduled payments of principal and interest on the Securities to be redeemed (not including any portion of such payments of interest accrued to the date of redemption) discounted to the date of redemption on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the applicable treasury rate plus 25 basis points, plus, in each case, accrued and unpaid interest on the principal amount of the Securities being redeemed to the redemption date. The treasury rate will be calculated on the third business day preceding the date fixed for redemption.

For purposes of determining the redemption price:

“treasury rate”, means, with respect to any redemption date: (i) the yield, under the heading which represents the average for the immediately preceding week, appearing in the most recently published statistical release designated “H.15(519)” or any successor publication which is published weekly by the Board of Governors of the Federal Reserve System and which establishes yields on actively traded U.S. Treasury securities adjusted to constant maturity under the caption “Treasury Constant Maturities,” for the maturity corresponding to the comparable treasury issue (if no maturity is within three months before or after the remaining life (as defined below), yields for the two published maturities most closely corresponding to the comparable treasury issue will be determined and the treasury rate will be interpolated or extrapolated from such yields on a straight line basis, rounding to the nearest month); or (ii) if such release (or any successor release) is not published during the week preceding the calculation date or does not contain such yields, the rate per annum equal to the semiannual equivalent yield to maturity of the comparable treasury issue, calculated using a price for the comparable treasury issue (expressed as a percentage of its principal amount) equal to the comparable treasury price for such redemption date;

“comparable treasury issue” means the U.S. Treasury security selected by an independent investment banker as having a maturity comparable to the remaining term (“remaining life”) of the Securities to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Securities;

“comparable treasury price” means (1) the average of five reference treasury dealer quotations for such redemption date, after excluding the highest and lowest reference treasury dealer quotations, or (2) if the independent investment banker obtains fewer than four such reference treasury dealer quotations, the average of all such quotations;

“independent investment banker” means either BNP Paribas Securities Corp. or J.P. Morgan Securities Inc., as specified by the Company, or, if these firms are unwilling or unable to select the comparable treasury issue, an independent investment banking institution of national standing appointed by the Company;

“reference treasury dealer” means (1) BNP Paribas Securities Corp. and J.P. Morgan Securities Inc. and their respective successors, provided, however, that if either of the foregoing shall cease to be a primary U.S. government securities dealer in New York City (a “primary treasury dealer”), the Company will substitute therefor another primary treasury dealer and (2) any three other primary treasury dealers selected by the Company after consultation with the independent investment banker;

“reference treasury dealer quotations” means, with respect to each reference treasury dealer and any redemption date, the average, as determined by the independent investment banker, of the bid and asked prices for the comparable treasury issue (expressed in each case as a percentage of its principal amount) quoted in writing to the independent investment banker at 5:00 p.m., New York City time, on the third business day preceding such redemption date.

If an Event of Default (as defined in the Indenture) shall have occurred and be continuing with respect to the Securities, the principal hereof may be declared, and upon such declaration shall become due and payable, in the manner, with such effect and subject to the conditions provided in the Indenture. Any such declaration may be rescinded by holders of a majority in principal amount of the outstanding Securities if all Events of Default with respect to the Securities (other than the non-payment of principal of the Securities which shall have become due by such declaration) shall have been remedied.

The Indenture contains provisions permitting the Company and the Trustee, with the consent of the holders of not less than a majority in aggregate principal amount of the Securities at the time outstanding, evidenced as in the Indenture provided, to execute supplemental indentures adding any provisions to the Indenture or to any supplemental indenture with respect to the Securities, or modifying in any manner the rights of the holders of the Securities; provided, however, that no such supplemental indenture shall (i) extend the fixed maturity of any Securities or reduce the principal amount thereof, or reduce the rate thereon, or make the principal thereof, or interest thereon, payable in any coin or currency other than that in the Securities provided, without the consent of each holder of the Securities so affected, or (ii) reduce the aforesaid principal amount of the Securities, the holders of which are required to consent to any such supplemental indenture without the consent of the holders of all Securities then outstanding. The Indenture also contains provisions permitting the holders of not less than a majority in aggregate principal amount of the Securities at the time outstanding, evidenced as in the Indenture provided, to waive certain past defaults under the Indenture and their consequences.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of (and premium, if any) and interest on this Security at the times, place and rate, and in the coin or currency, herein provided.

This Security is issuable as a registered Security only, in the denomination of \$1,000 and any integral multiples of \$1,000 approved by the Company, such approval to be evidenced by the execution thereof.

As provided in the Indenture and subject to certain limitations therein set forth, this Security is transferable by the registered holder hereof in person or by his attorney duly authorized in writing on the books of the Company at the office or agency to be maintained by the Company for that purpose, but only in the manner, subject to the limitations and upon payment of any tax or governmental charge for which the Company may require reimbursement as provided in the Indenture, and upon surrender and cancellation of this Security. Upon any registration of transfer, a new registered Security or Securities, of authorized denomination or denominations, and in the same aggregate principal amount, will be issued to the transferee in exchange therefore.

The Company, the Trustee, any paying agent and any Security Registrar may deem and treat the registered holder hereof as the absolute owner of this Security (whether or not this Security shall be overdue and notwithstanding any notations of ownership or other writing hereof made by anyone other than the Security Registrar) for the purpose of receiving payment of or on account of the principal hereof and interest due hereon as herein provided and for all other purposes, and neither the Company nor the Trustee nor any paying agent nor any Security Registrar shall be affected by any notice to the contrary.

No recourse shall be had for the payment of the principal of or interest on this Security, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Indenture or any indenture supplemental thereto, against any incorporator or against any past, present or future stockholder, officer or member of the Board of Directors, as such, of the Company, whether by virtue of any constitution, state or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released.

This Security shall be deemed to be a contract made under the laws of the State of New York, and for all purposes shall be construed in accordance with the laws of the State of New York.

All terms used in this Security which are defined in the Indenture and not defined herein shall have the meaning assigned to them in the Indenture.

This Security shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose until the certificate of authentication on the face hereof is manually signed by the Trustee.

IN WITNESS WHEREOF, the Company has caused this instrument to be signed by the manual or facsimile signatures of the Vice President – Corporate Planning, Investor Relations and Treasurer and Assistant Treasurer of the Company, and a facsimile of its corporate seal to be affixed or reproduced hereon.

KANSAS CITY POWER & LIGHT COMPANY

5.30% MORTGAGE BOND, COLLATERAL SERIES DUE 2041
\$400,000,000

Bond Number R-1

Kansas City Power & Light Company, a Missouri corporation (“Company”), for value received, hereby promises to pay to The Bank of New York Mellon Trust Company, N.A. (formerly The Bank of New York Trust Company, N.A.), as trustee (the “Unsecured Note Trustee”) under the Indenture, dated as of May 1, 2007 (such indenture, as heretofore supplemented and amended, the “Unsecured Indenture”), between the Company and the Unsecured Note Trustee, or registered assigns, the sum of FOUR HUNDRED MILLION DOLLARS (\$400,000,000) and to pay interest thereon from the date hereof at the rate of 5.30% per annum, payable semi-annually on the 1st day of April and October, commencing April 1, 2019, until the Company’s obligation with respect to the payment of such principal sum shall be discharged as provided in the Indenture (as defined below); provided that the obligation of the Company to make any payment of the principal of and premium, if any, or interest on this Bond of the Fifteenth Series shall be fully or partially, as the case may be, paid, deemed to have been paid or otherwise satisfied and discharged to the extent that at the time any such payment shall be due, the then due principal of and premium, if any, or interest on the Company’s 5.30% Notes due 2041 issued pursuant to the Unsecured Indenture (the “2041 Notes”) shall have been fully or partially paid, deemed to have been paid or otherwise satisfied and discharged.

This Bond of the Fifteenth Series is one, of the series hereinafter specified, of the bonds of the Company (“Bonds”) known as its “Mortgage Bonds,” issued and to be issued in one or more series under and secured by a General Mortgage Indenture and Deed of Trust dated as of December 1, 1986 (“Indenture”), duly executed by the Company to UMB Bank, N.A. (formerly United Missouri Bank of Kansas City, N.A.), as Trustee (“Trustee”), to which Indenture and all indentures supplemental thereto reference is hereby made for a description of the property mortgaged and pledged, the nature and extent of the security, the terms and conditions upon which the Bonds are, and are to be, issued and secured, and the rights of the owners of the Bonds and of the Trustee in respect of such security, and the prior liens to which the security for the Bonds is junior; capitalized terms used in this Bond of the Fifteenth Series have the respective meanings set forth in the Indenture. As provided in the Indenture, the Bonds may be various principal sums, are issuable in series, may mature at different times, may bear interest at different rates and may otherwise vary as therein provided; and this Bond of the Fifteenth Series is the only one of the series entitled “5.30% Mortgage Bond, Collateral Series due 2041,” created by a Sixteenth Supplemental Indenture dated as of March 1, 2019, as provided for in the Indenture.

This Bond of the Fifteenth Series shall be delivered to the Unsecured Note Trustee to be held in trust for the benefit of the holders from time to time of the 2041 Notes as security for any and all obligations of the Company under the 2041 Notes, including but not limited to, (i) the full and prompt payment of the principal of and premium, if any, on the 2041 Notes when and as the same shall become due and payable in accordance with the terms and provisions of the Unsecured Indenture or the 2041 Notes, either at the stated maturity thereof, upon acceleration of the maturity thereof or upon redemption and (ii) the full and prompt payment of any interest on the 2041 Notes, when and as the same shall become due and payable in accordance with the terms and provisions of the Unsecured Indenture or the 2041 Notes.

With the consent of the holders of more than 50% in aggregate principal amount of the Outstanding Bonds, the Company and the Trustee may from time to time and at any time, enter into a Supplemental Indenture for the purpose of adding any provisions to or changing in any manner or eliminating any provision of the Indenture or of any Supplemental Indenture or of modifying in any manner the rights of the holders of the Bonds and any coupons; provided, however, that (i) no such Supplemental Indenture shall, without the consent of the holder of each Outstanding Bond affected thereby (A) extend the fixed maturity of any Bonds, change any terms of any sinking fund or analogous fund or conversion rights with respect to any Bonds, or reduce the rate or rates or extend the time of payment of interest thereon, or reduce the principal amount thereof, or, subject to certain exceptions, limit the right of a holder of Bonds to institute suit for the enforcement of payment of principal of or any premium or interest on such Bonds in accordance with the terms of said Bonds, or (B) reduce the aforesaid percentage of Bonds, the holders of which are required to consent to any such Supplemental Indenture, or (C) permit the creation by the Company of any Prior Lien, and (ii) no such action which would affect the rights of the holders of the Bonds of only one series may be taken unless approved by the holders of more than 60% in aggregate principal amount of the Outstanding Bonds of such series affected, but if any such action would affect the Bonds of two or more series, the approval of such action on behalf of the holders of Bonds of such two or more series may be effected by holders of more than 60% in aggregate principal amount of the Outstanding Bonds of such two or more series, which need not include 60% in principal amount of Outstanding Bonds of each of such series; provided, however, that, in no event shall such action be effective unless approved by holders of more than 50% in aggregate principal amount of all the then Outstanding Bonds of all such series.

In the event that all 2041 Notes are no longer outstanding under the Unsecured Indenture, then all liability of the Company to the Registered Holder of this Bond of the Fifteenth Series for the payment of the principal hereof and premium, if any, or interest hereon shall forthwith cease, and be completely discharged and the right of such Registered Holder of this Bond of the Fifteenth Series for the payment of the principal hereof and premium, if any, or interest hereon shall forthwith cease and be completely discharged and such Registered Holder shall no longer be entitled to any lien or benefit of the Indenture.

In case an event of Default shall occur, the principal of this Bond of the Fifteenth Series may become or be declared due and payable in the manner, with the effect and subject to the conditions provided in the Indenture.

This Bond of the Fifteenth Series is transferable by the Registered Holder hereof in person or by an attorney duly authorized in writing, but only as may be required to effect a transfer to any successor to the Unsecured Note Trustee, at the principal office of the Trustee in Kansas City, Missouri (or at the principal office of any successor in trust), upon surrender and cancellation of this Bond of the Fifteenth Series, and upon any such transfer a new registered Bond of the Fifteenth Series without coupons of the same series for the same principal amount will be issued to the transferee in exchange herefor.

The Company and the Trustee may deem and treat the person in whose name this Bond of the Fifteenth Series is registered as the absolute owner hereof for the purpose of receiving payment and for all other purposes, and neither the Company nor the Trustee shall be affected by any notice to the contrary.

No recourse shall be had for the payment of the principal of or any premium or interest on this Bond of the Fifteenth Series, or for any claim based hereon or otherwise in respect hereof or of the Indenture or any Supplemental Indenture, against any incorporator, stockholder, director or officer, past, present or future, of the Company or of any predecessor corporation, as such, either directly or through the Company or of any such predecessor or successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability of incorporators, stockholders, directors and officers being waived and released by every owner hereof by the acceptance of this Bond of the Fifteenth Series and as part of the consideration for the issue hereof, and being likewise waived and released by the terms of the Indenture.

This Bond of the Fifteenth Series shall not be valid or become obligatory for any purpose unless and until the certificate of authentication hereon shall have been executed by the Trustee or its successor in trust under said Indenture.

IN WITNESS WHEREOF, KANSAS CITY POWER & LIGHT COMPANY has caused this Bond of the Fifteenth Series to be executed in its name by the manual or facsimile signature of its Chairman of the Board, Chief Executive Officer, President or a Vice President, and its corporate seal to be impressed or imprinted hereon and attested by the manual or facsimile signature of its Secretary or one of its Assistant Secretaries.

This Bond of the Eighteenth Series is one, of the series hereinafter specified, of the bonds of the Company (“Bonds”) known as its “Mortgage Bonds,” issued and to be issued in one or more series under and secured by a General Mortgage Indenture and Deed of Trust dated as of December 1, 1986 (“Indenture”), duly executed by the Company to UMB Bank, N.A. (formerly United Missouri Bank of Kansas City, N.A.), as Trustee (“Trustee”), to which Indenture and all indentures supplemental thereto reference is hereby made for a description of the property mortgaged and pledged, the nature and extent of the security, the terms and conditions upon which the Bonds are, and are to be, issued and secured, and the rights of the owners of the Bonds and of the Trustee in respect of such security, and the prior liens to which the security for the Bonds is junior; capitalized terms used in this Bond of the Eighteenth Series have the respective meanings set forth in the Indenture. As provided in the Indenture, the Bonds may be various principal sums, are issuable in series, may mature at different times, may bear interest at different rates and may otherwise vary as therein provided; and this Bond of the Eighteenth Series is the only one of the series entitled “4.20% Mortgage Bond, Collateral Series due 2047,” created by a Sixteenth Supplemental Indenture dated as of March 1, 2019, as provided for in the Indenture.

This Bond of the Eighteenth Series shall be delivered to the Unsecured Note Trustee to be held in trust for the benefit of the holders from time to time of the 2047 Notes as security for any and all obligations of the Company under the 2047 Notes, including but not limited to, (i) the full and prompt payment of the principal of and premium, if any, on the 2047 Notes when and as the same shall become due and payable in accordance with the terms and provisions of the Unsecured Indenture or the 2047 Notes, either at the stated maturity thereof, upon acceleration of the maturity thereof or upon redemption and (ii) the full and prompt payment of any interest on the 2047 Notes, when and as the same shall become due and payable in accordance with the terms and provisions of the Unsecured Indenture or the 2047 Notes.

With the consent of the holders of more than 50% in aggregate principal amount of the Outstanding Bonds, the Company and the Trustee may from time to time and at any time, enter into a Supplemental Indenture for the purpose of adding any provisions to or changing in any manner or eliminating any provision of the Indenture or of any Supplemental Indenture or of modifying in any manner the rights of the holders of the Bonds and any coupons; provided, however, that (i) no such Supplemental Indenture shall, without the consent of the holder of each Outstanding Bond affected thereby (A) extend the fixed maturity of any Bonds, change any terms of any sinking fund or analogous fund or conversion rights with respect to any Bonds, or reduce the rate or rates or extend the time of payment of interest thereon, or reduce the principal amount thereof, or, subject to certain exceptions, limit the right of a holder of Bonds to institute suit for the enforcement of payment of principal of or any premium or interest on such Bonds in accordance with the terms of said Bonds, or (B) reduce the aforesaid percentage of Bonds, the holders of which are required to consent to any such Supplemental Indenture, or (C) permit the creation by the Company of any Prior Lien, and (ii) no such action which would affect the rights of the holders of the Bonds of only one series may be taken unless approved by the holders of more than 60% in aggregate principal amount of the Outstanding Bonds of such series affected, but if any such action would affect the Bonds of two or more series, the approval of such action on behalf of the holders of Bonds of such two or more series may be effected by holders of more than 60% in aggregate principal amount of the Outstanding Bonds of such two or more series, which need not include 60% in principal amount of Outstanding Bonds of each of such series; provided, however, that, in no event shall such action be effective unless approved by holders of more than 50% in aggregate principal amount of all the then Outstanding Bonds of all such series.

In the event that all 2047 Notes are no longer outstanding under the Unsecured Indenture, then all liability of the Company to the Registered Holder of this Bond of the Eighteenth Series for the payment of the principal hereof and premium, if any, or interest hereon shall forthwith cease, and be completely discharged and the right of such Registered Holder of this Bond of the Eighteenth Series for the payment of the principal hereof and premium, if any, or interest hereon shall forthwith cease and be completely discharged and such Registered Holder shall no longer be entitled to any lien or benefit of the Indenture.

In case an event of Default shall occur, the principal of this Bond of the Eighteenth Series may become or be declared due and payable in the manner, with the effect and subject to the conditions provided in the Indenture.

This Bond of the Eighteenth Series is transferable by the Registered Holder hereof in person or by an attorney duly authorized in writing, but only as may be required to effect a transfer to any successor to the Unsecured Note Trustee, at the principal office of the Trustee in Kansas City, Missouri (or at the principal office of any successor in trust), upon surrender and cancellation of this Bond of the Eighteenth Series, and upon any such transfer a new registered Bond of the Eighteenth Series without coupons of the same series for the same principal amount will be issued to the transferee in exchange herefor.

The Company and the Trustee may deem and treat the person in whose name this Bond of the Eighteenth Series is registered as the absolute owner hereof for the purpose of receiving payment and for all other purposes, and neither the Company nor the Trustee shall be affected by any notice to the contrary.

No recourse shall be had for the payment of the principal of or any premium or interest on this Bond of the Eighteenth Series, or for any claim based hereon or otherwise in respect hereof or of the Indenture or any Supplemental Indenture, against any incorporator, stockholder, director or officer, past, present or future, of the Company or of any predecessor corporation, as such, either directly or through the Company or of any such predecessor or successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability of incorporators, stockholders, directors and officers being waived and released by every owner hereof by the acceptance of this Bond of the Eighteenth Series and as part of the consideration for the issue hereof, and being likewise waived and released by the terms of the Indenture.
